

Lake St. Catherine Country Club, an 18 hole semi-private golf club in Poultney, Vermont, is looking for an Assistant Superintendent to help out with all facets of golf course maintenance. This is a hands-on seasonal position, typically starting in mid to late March and running into mid-late October. Primary job responsibilities will include:

- Maintenance and upkeep of equipment (along with the Superintendent)
- Operation of all golf course maintenance equipment
- Assist the Superintendent with staff training and management
- Course setup
- Irrigation repair and maintenance
- Other duties as assigned

The ideal candidate for this position will have a strong work ethic and a positive attitude. We would like to find someone who has worked on a golf course before, has mechanical experience, and a passion for making the golf course the best it can be. We strive to have an encouraging, positive workplace, and to maintain a good balance between work and life. A typical work week for the Assistant Superintendent is 40 hours from Monday through Friday. You will also be asked to work every other weekend through the golf season, with weekends consisting of course setup and mowing greens.

This is a great opportunity for someone growing in golf course maintenance to be a big part of running an operation. Here you will find the opportunity to be a part of decision making and planning, as well as working on projects as they fit into our schedule and budget. The Poultney area is a great area to live, providing nearby access to many outdoor activities that make Vermont a great place to be. Not to mention, we're not far from Killington and Pico, who provide plenty of opportunities for seasonal work during the winter months.
