

Ryder Brook Golf Club, a 9 hole public golf club in Morristown, Vermont, is looking to fill the superintendent position. This is a hands-on seasonal position. Primary job responsibilities will include:

- Maintain all grounds including the golf course, clubhouse surroundings and other maintainable property
- Supervise all planting, fertilizing and chemical applications.
- Hire, supervise and develop all employees within the maintenance department.
- Coordinate scheduling of all personnel assigned to the department.
- Communicate frequently with the General Manger to discuss activities, goals, plans and member/customer feedback.
- Maintain inventory and oversee all repairs and scheduled maintenance of all golf course maintenance equipment.
- Supervise maintenance and operation of drainage, irrigation and other mechanical watering systems.
- Develop chemical and fertilizing plan on an annual basis.
- Ensure that the golf course is providing healthy and high quality playing conditions for guests of the property.
- Prepare and maintain all recordkeeping for maintenance department (i.e. inventory files, fertilization and chemical application logs.)
- Required to keep all permits pertaining to maintenance department up to date.
- Ensure golf course is in compliance with all federal, state and local laws.

### Special Requirements

Applicant must have or obtain state pesticide license.
